### Lysefjord Cruise to Pulpit Rock

The town of Stavanger, center of the oil industry, is the fourth-largest town in Norway. It lies at the entrance to the **Gandsfjord**, protected from the North Sea. Many of the islands in the area are today part of the town and are connected by bridges. Here, you find both industrial areas as well as charming suburbs with attractive homes. Continue to Lysefjord, which cuts inland almost 30 ...

### Pulpit Rock & Lysefjord by Helicopter

Stavanger, center of the oil industry, is the fourth-largest town in Norway. Situated at the entrance to the Gandsfjord, it is somewhat protected from the North Sea. Stavanger is a charming mix of new and old. Close to the harbor, you'll see the wooden, white-painted houses with tiny gardens. These once belonged to sailors and craftsmen. Your **helicopter adventure** begins with a driv...

### Stavanger Past & Present

Stavanger and the surrounding areas have, for centuries, played a leading part in Norway's maritime history, from the time when the Viking kings battled in Hafrsfjord, through the white sails period and steamships, up to modern super-tankers. Stavanger is also the most important oil city in Norway, due to its geographical location. This tour will unravel the city's history. Begin with a ride th...
