Naples, Italy (for Capri & Pompeii)

Italy's third-largest city, Naples is a bustling metropolis famed for its stately buildings, crowded streets, pizza - and notoriously bad traffic. However, this beautiful city is rich in centuries-old culture and customs. Naples is also your gateway to the Isle of Capri, the fabled Amalfi Coast and the ruins of Pompeii, buried in ash by the cataclysmic eruption of Mt. Vesuvius in 79 A.D.

Naples boasts an ideal location, with both the ruins of Roman cities and the stunning Amalfi Coast in easy reach.

Points of Interest

1 Pompeii

Mt. Vesuvius erupted in 79 AD and completely buried the city of Pompeii. Today it is a UNESCO World Heritage Site with fascinating ruins that hint of a once-thriving city.

2 Sorrento

This picturesque town sits on the cliffs overlooking the Bay of Naples and boasts stunning views and seafood delicacies. It is also known for its Limoncello, a tangy lemon liqueur.

3 Capri

This gorgeous island destination off the Sorrento Peninsula has been a getaway for the rich and famous since Roman times. The city of Capri comprises the eastside and Anacapri lies to the west.

4 Amalfi Coast

The Amalfi coast and its namesake town offer miles of beautiful scenery-from the fragrant lemon groves dotting the lush landscape to the dramatic cliffs that meet the sea below.

5 Positano

Pastel houses tumble down the cliffs to a beach dotted with fishing boats. Long a draw for sophisticated travelers, Positano boasts elegant boutiques and seaside cafés.

6 Herculaneum

Discovered in 1709, Herculaneum was buried under mud in the 79 A.D. eruption. Excavations revealed its well-preserved Roman villas.

7 Mt. Vesuvius

This volcano destroyed the ancient cities of Pompeii and Herculaneum. Now dormant, it is a bucolic national park with many walking trails and a summit open to visitors.

8 Posillipo Hill

Capture a panoramic view of the city and the Bay of Naples from this vantage point.
