

Ports & Excursions

Rome (Civitavecchia), Italy

Your gateway to the Eternal City, Civitavecchia has served as Rome's seaport since the 13th century. The port has a long and venerable history. The emperor Trajan built a pleasure villa near the modern city, while Bernini and Michelangelo designed the harbor fortifications.

Yet the Eternal City eternally beckons. The ancient capital of the Western World and the center of Christianity for nearly 2,000 years, Rome provides an inexhaustible feast. Visit the ruins of the Forum, view the splendors of the Sistine Chapel, or climb the Spanish Steps, once the heart of Rome's Bohemian Quarter.

Rome has been a magnet luring the world's greatest artists, architects, and philosophers since the days of the Caesars.
