CABO SAN LUCAS SPORTFISHING

Cabo San Lucas, Mexico Tour Code: CSL_09

Enjoy a five hour fishing excursion to the richest game fishing grounds known to anglers. As the boat heads out to the fishing area, the poles will be set with lures by the mate to minimize the possibility of the lines becoming tangled. This type of fishing is trolling. Boats do not troll with live bait, as it is good for perhaps fifteen minutes maximum. This means the boat will be in the open ocean and four lines with lures will be utilized in pole holders and outriggers.

All of the hooked fish will be rotated between the participants on the boat. When a fish is spotted, the mate will reel in the four lines and then set a line with the live bait. If a fish takes the bait, the mate will 'set the hook' and give the pole to the first person in the fighting chair. When the first person has landed the fish (or if the fish got away), the next person will have the next hooked fish and so on. When everyone has had a turn in the chair the rotation will start over. A box lunch with two beverages per guest is included.

Note: Participants must be at least 8 years of age. Due to the nature of this tour, pregnant women or guests with any known medical condition or history of illness, including heart ailment, knee/spinal/neck pain or injury or any other recent injury should not participate. Typically six participants will share a boat, however arrangements can be made, at additional costs to share a boat by two or three anglers, thereby improving your chances of catching a fish. All fishing boats contain the latest in safety equipment.

Explore and enjoy the underwater world of the Sea of Cortez without getting wet! Travel in a unique, semi-submersible watercraft with seats below the water level with glass panels for viewing the rich marine life of Cabo San Lucas.

Explore and enjoy the underwater world of the Sea of Cortez without getting wet! Travel through the sea inside a semi-submersible, 60-foot long, 33 passenger watercraft featuring seats that sit below the water level with glass panels for viewing the rich marine life of Cabo San Lucas. Loaded with photo opportunities, this is a great family oriented tour. You'll start with your guide giving you a historic and informational briefing about Baja and your tour. Just minutes after departure from the pier, step down into the semi-sub and encounter the underwater wonders said to be part of one of the most fertile bodies of water in the world which host over 800 species of fish from small tropicals to whale sharks.

This air-conditioned vessel is built according to U.S. Coast Guard's requirements and regulations to ensure passenger safety, comfort and security. Totally surrounded by glass paneled windows, each seat has a fabulous view and comes equipped with a fish identification card. Your guide will provide you an educational as well as entertaining trip. The vessel never leaves the surface as you motor along, sitting safe and sound eight feet below. Just on the other side of your glass window you'll come face to face with the underwater creatures around Pelican Rock - the #1 dive spot in Cabo. Your turnaround point is Land's End, the last tip of rock, the last bit of land in Baja California. This is where the waters of the Sea of Cortez meet those of the Pacific Ocean. Go up to the surface for great photos of the arch and the sea lion colony. The sub will take you back to the pier with your memories and camera filled with the underwater wonders of Cabo!

Note: Children under the age of 4 are free of charge but must remain seated on parents lap. This tour is not recommended for those passengers with claustrophobia or those prone to seasickness. The semi-sub is equipped with a restroom as well as outdoor seating for those needing fresh air en route. Guests must be able to negotiate

several steps down into the vessel.

TWO-TANK CERTIFIED SCUBA DIVING

Cabo San Lucas, Mexico Tour Code: CSL_52

On this two tank dive you'll travel through deep submarine canyons just off San Lucas Bay and marvel at the rich marine environment on this adventure. Diving locations are just off the rocky shore and feature large boulders and pinnacles; the rocky walls attract schools of fish such as snapper and goatfish. The ledges are covered with marine invertebrates, starfish, nudibranchs and urchins. Keep an eye out for King and Cortez angelfish, Moorish idols and guinea fowl puffers.

Note: Participants must be at least 12 years of age, weigh less than 280 lbs. and in good physical condition. You'll be required to complete a medical release form. You must present a valid certification card (C-Card) and must have logged a certified dive within the last year. All equipment, including professional supervision and boat transportation is included. Dive sites are chosen based on weather and sea conditions and are subject to change.
